### **Terms of Reference CUSC Advisory Committee**

This letter is to outline the specific functions and intentions of the Cumberland United Soccer Club (CUSC) Advisory Committee.

The committee's primary objective is to evaluate, monitor and provide feedback on the technical steps taken or proposed by the club. The club head coach will organize/lead these meetings during which he will primarily be asking for feedback on both current programs as well as suggestions on effective implementation on new programs. The Club Head Coach will share with the Advisory Committee the ongoing direction of the club from a technical perspective and will provide them with the latest news from within the club and its leadership (again from a soccer perspective).

Committee members will communicate amongst one another to better understand the club initiatives, the structure of the club in general and to help create consistency and smooth transitions between the various levels of play and development in CUSC.

The committee will consist of a balanced cross-section of coaches from various levels and age groups across CUSC. It will be an open environment for members to ask questions and voice opinions, and will also be open to considering any new interested members wishing to attend.

The Technical Committee will meet on the last Wednesday of every month at the CUSC Clubhouse. A notice of the meeting shall be emailed to Committee members by the Advisory Committee Chair at least 7 days prior to the meeting. Members will be emailed an agenda and will be asked to confirm their attendance by email before each meeting. One committee member will be designated to take the minutes of the meeting and forward the minutes to the CUSC secretary on a monthly basis.

We wish for this committee to be a truly productive group of people who are passionate about soccer in CUSC. The group is to be a two way voice for the various levels, ages and genders within CUSC, communicating external concerns to the club head coach, and also taking club initiatives and news back to people in their specific areas of the club.

Please contact Pavel Cancura at [cusheadcoach@cumberlandsoccer.com](mailto:cusheadcoach@cumberlandsoccer.com) if you are interested in helping with this initiative.

Approved for use January 7, 2009  
by the CUSC Board of Directors
