### **TIERING vs. BALANCING POLICY FOR COMPETITIVE TEAMS**

For competitive teams, the East Region Soccer League (ERSL) permits up to two teams per Club to play in the same Division per age group. Since promotion and relegation takes place between Divisions, if CUSC has two teams playing in a particular Division in the same age group, these teams will be tiered vs. balanced in terms of the calibre of players. This will give the Club the best chance of both gaining promotion and keeping a team at a particular level.

If there are more than two teams in a particular Division, the CUSC will tier one team and balance the rest.
